TO KEEP UP THE PRESSURE

The most attractive and noteworthy Bargain of The Bell's immense special

OVERCOAT SALE

Of last week was a super's Chinchilla Overcoat at $10, which everybody who saw it pronounced fully worth $20, and without an equal anywhere at that figure. It was The Bell's Special Card, and a winning card at that. For this very reason, AND NO OTHER, The Bell selects this Overcoat for the first mark-down of the season, and offers it tomorrow with its compliments to bargain-seekers, at

$12.

This is done solely to attract wider attention to The Bell's GREAT SPECIAL OVERCOAT SALE, which continues this week. Twenty-two different lines, in as many colors and fabrics, at prices that laugh to scorn all attempts at competition.
